# CraftMaster® Molded Bifold Doors

Caiman Bifold 6'8"

Beautiful designs and solid construction make CraftMaster Molded Bifolds a great value.

- Available in Colonist, Coventry, Carmelle, Classique, Clermont, Cremona, Carrara, Caiman, Carolina and Corvado.
- CMI recommends matching bifold facings, front and back, for all bifold constructions. As shown by internal testing, this will lead to better performance as compared to non-matching facing construction especially in high humidity environments.
- All doors are available primed and ready to paint.
- CraftMaster molded doors are covered by a 5-year limited warranty.

### Choose CraftMaster

**ENHANCE INTERIORS.** Use doors as an integral part of interior design. Add style, elegance and decorating consistency to your projects.

**HASSLE-FREE PERFORMANCE.** No cracking or panel separation due to seasonal humidity changes means no repainting or replacing.

**ENVIRONMENTALLY RESPONSIBLE.** No old growth timber is harvested for the manufacture of CraftMaster doors. Instead, by-products from sawmill operations are used to convert waste into doors of true beauty.

**SUPERIOR VALUE.** Compelling design and customization opportunity at a significant value versus solid wood or flush doors.
