Crossmore®

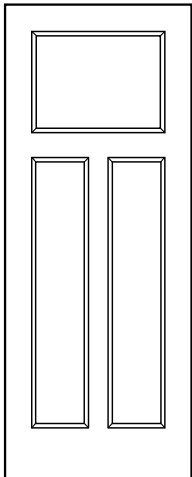

Crossmore 6'8"

A contemporary door that functions beautifully in renovated bungalows, sleek, modern homes and everything in between.

- Patented and proprietary. Covered by U.S. Patent D616,117.
- Created through advanced panel technology to produce the only truly authentic molded, flat panel door.
- Available in 6'8" and 7'0" passage and bifold sizes.
- Most sizes can be specified for either hollow or solid core construction and with either finger joint or MDF stiles and rails.
- Elegant smooth finish.
- All doors are available primed with a low VOC primer and are ready to paint.
- Covered by a 5-year limited warranty.

• Colonist Pre-Finished is also available in four colors with an oak wood grain textured finish, as well as white with a pine wood grain textured finish.

Green Benefits

- CraftMaster molded door designs (facings) are acknowledged by the California Air Resources Board's (CARB) Airborne Toxic Control Measure (ATCM) 93120 to utilize exempt status ultra-low emitting formaldehyde (ULEF) resins.
- CraftMaster molded door designs have no added urea formaldehyde. This is certified by Scientific Certification Systems, certificate number SCSMC-01802.
- CraftMaster molded door designs contain a minimum of 65% pre-consumer recycled content. This is certified by SCS Certification Systems, certificate number SCS-MC-01801.
- CraftMaster molded door designs and CraftMaster Green Doors contribute to industry programs such as LEED® and the National Green Building Standard™.
- For added green benefits, specify a CraftMaster Green Door.

Choose CraftMaster

ENHANCE INTERIORS. Use doors as an integral part of interior design. Add style, elegance and decorating consistency to your projects.

HASSLE-FREE PERFORMANCE. No cracking or panel separation due to seasonal humidity changes means no repainting or replacing.

SUPERIOR VALUE. Compelling design and customization opportunity at a significant value versus solid wood or flush doors.
