Physical Specifications

Colonist Commercial Smooth can be specified with standard core types — including particleboard cores, mineral cores and staved core — to meet most code, engineering and physical property requirements.

Doors manufactured with the Colonist Commercial Smooth design can accept most commercial door hardware traditionally used with flush doors, including:

- Closers
- Card locks
- Exit devices
- Kick plates
- Cylindrical and mortise locks

• Colonist, Carmelle, and Classique are also available in Pre-Finished White.

ENHANCE INTERIORS. Use doors as an integral part of interior design. Add style, elegance and decorating consistency to your projects.

HASSLE-FREE PERFORMANCE. No cracking or panel separation due to seasonal humidity changes means no repainting or replacing.

ENVIRONMENTALLY RESPONSIBLE. No old growth timber is harvested for the manufacture of CraftMaster doors. Instead, by-products from sawmill operations are used to convert waste into doors of true beauty.

SUPERIOR VALUE. Compelling design and customization opportunity at a significant value versus solid wood or flush doors.
